

Due to COVID 19 Maverick will be offering our entire list at 50% off with To-Go food. Please let us know if you need help selecting something.

Our view on the wines selected for this list is much like our food. We select wines that represent the place that they hail from and producers that respect the land that they farm. Our focus is on smaller family owned producers that have been stewards of their land for generations as well as new comers that are changing the way a region or area works.
